We operate for entrepreneurial and multinational companies, in domestic and International markets, in 23 Countries.

## INTERNATIONAL ALLIANCES

Santulin & Partners has created its International alliances' network that allows to conduct searches of senior manager in Europe, Asia, Latin America, United States, Canada and Africa. Specific agreements have been signed in China with Bó Lè Associates ([www.bo-le.com](http://www.bo-le.com)), the largest independent search firm present in China and in other Far East Countries which has extended its presence also in Japan and India. Further agreements have been signed by Santulin & Partners in North America with RSR Partners ([www.rsrpartners.com](http://www.rsrpartners.com)), which allows Santulin & Partners to be an advanced point of reference in Italy for the

search of Board Members, in South America with Caccuri Consultores ([www.caccuriconsultores.com.br](http://www.caccuriconsultores.com.br)), in Central-East Europe with Pedersen & Partners ([www.pedersenandpartners.com](http://www.pedersenandpartners.com)). These agreements provide that in the conclusive phase of our search process the finalist candidates are always assessed by one of Santulin & Partners.
